DEPARTMENT OF PUBLIC INSTRUCTION

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE, BANGALORE.

Notification D. No. 70—*T. B. C. of* 38-39, *dated* 21*st February* 1939.

SUBJECT :—Prescription of one uniform set of Text-Books in English for the first three Classes of Middle Schools from 1940-41, and discontinuance of having alternative Text Books.

The system of having alternative text books in English was adopted so as to afford scope to Head Masters to select books with contents most suited to the environment and experience of pupils in the rural and urban areas.

At the last session of the Representative Assembly it was represented that frequent changes of text-books are being made, and that schools in the same locality were using different sets of books and that it was a great hardship to poor parents and pupils.

The question was discussed in all its aspects at the last annual general meeting of the Text Book Committee, and it was resolved that one uniform set of text-books should be prescribed in English for the first three Middle School Classes, and that they should not be changed for three years.

Authors and Publishers are hereby informed that the system of having alternative text-books in English in Middle Schools will be discontinued with effect from the school year 1940-41. They are also further informed that whenever there are departmental text-books available for use, non-departmental books will not, as a general rule, be prescribed as alternatives to the existing Departmental Text-Books.

E. G. MCALPINE,
Director.
